**Subject: Board Order R7-2004-0100
NPDES Permit No. CA7000016, WDID No. 7B 36 2032 001
Interim Measure No. 3 Groundwater Treatment System
Discharge to Colorado River - Notification Letter
December 2005 / Fourth Quarter 2005
Semi-Annual Period July 1, 2005 - December 31, 2005
Annual Monitoring Report for 2005
PG&E Topock Compressor Station, Needles, California**

Dear Mr. Perdue:

Board Order R7-2004-0100 was issued to Pacific Gas and Electric Company (PG&E) by the Colorado River Basin Regional Water Quality Control Board (Water Board) for Topock Compressor Station, Interim Measure (IM) No. 3 Groundwater Treatment System discharge to the Colorado River on October 13, 2004.

This letter provides notification to the Water Board that no activities were conducted under Board Order R7-2004-0100 during the month of December 2005, the fourth quarter of 2005, the semi-annual reporting period July 1, 2005 through December 31, 2005, or the annual reporting period January 1, 2005 through December 31, 2005. To date, there has been no discharge from the IM No. 3 Treatment System to the Colorado River.

If you have any questions regarding this notification, please call me at (760) 326-5582.

Sincerely,

Curt Russell
Topock Onsite Project Manager
