Interim Measure No. 3 Groundwater Treatment System
January 2007 Notification Letter - No Discharge to Colorado River**

Dear Mr. Perdue:

Board Order R7-2004-0100 was issued to Pacific Gas and Electric Company (PG&E) by the Colorado River Basin Regional Water Quality Control Board (Water Board) for Topock Compressor Station, Interim Measure (IM) No. 3 Groundwater Treatment System discharge to the Colorado River on October 13, 2004.

This letter provides notification to the Water Board that no activities were conducted under Board Order R7-2004-0100 during the month of January 2007. To date, there has been no discharge from the IM No. 3 Groundwater Treatment System to the Colorado River.

Board Order R7-2004-0100 expires January 31, 2007 as stated in Provision E.2. Therefore, this will be the last notification letter regarding Board Order R7-2004-0100.

If you have any questions regarding this notification, please call me at (760) 326-5582.

Sincerely,

Curt Russell
Topock Onsite Project Manager
